SAINTS FUN FACTS

by John Sheppard

Dublin

One of the world's most popular saints. Enslaved as a young teen by pagans and Druids, he turned to God while in captivity. Escaping at age 20, he returned to his family and began studying for the priesthood. He preached throughout Ireland converting many for 40 years. He died at Saul, site of the first church he built.

THE GUINNESS IS A DARK BEER SYMBOL OF
IRELAND, PRODUCED IN DUBLIN SINCE 1759. IT IS
DARK AND BITTER WITH WHITE FOAM ON THE

Other legends are the leprechauns, in the gaelic language this means "little ghosts"; these were the inhabitants of Ireland well before the Celts. People believe they have got a pot of gold hidden in the Irish countryside. They are sometimes drawed like shoemakers.

Leprechauns are also very keen musicians who play tin whistles, the fiddle and even the Irish Harp and various other Irish traditional instruments.
