ROAR from far away

**USE MAGIC INK**

**FOOD**  
I eat meat,  
I'm a skilled  
predator!

## HABITAT

I live in the desert

## ANIMAL GROUP

I am an  
invertebrate

I have got  
an external  
skeleton

## BODY AND COVERING

My body is black or  
brown, I'm small and  
long. I've got 8 legs

**ABILITIES,**  
I can detect my  
preys very fastly  
and catch them with  
my poisonous tail

USE MAGIC INK

## FOOD

I eat other small creatures  
like spiders, crickets,  
centipedes and caterpillars

## **HABITAT**

I live everywhere,  
in temperate  
climates, also with  
humans

## **ANIMAL GROUP**

I am a  
mammal

## **BODY AND COVERING**

I'm of medium size.  
My body is normally  
covered by a soft fur of  
different colours

**ABILITIES,**  
I'm very agile and I  
can do high jumps, I  
can climb trees.  
I've got sharp claws

**USE MAGIC INK**

## **FOOD**

I eat meat, I like mice and  
birds! I'm a fast and quick  
predator!  
When I live with humans I  
eat kibbles

## HABITAT

I live in Atlantic and Pacific oceans, some of my relatives can live in the Arctic Circle

## ANIMAL GROUP

I am a ovoviviparous:  
I produce eggs but I don't lay them. The young hatch while are in the female's body and as miniature

## BODY AND COVERING

I can be very large, the whale type can be 18 meters long. I'm blue-grey and white in the belly. I've got fins and the dorsal one can emerge from waters. Unfortunately people kill me for my fins

USE MAGIC INK

## ABILITIES,

I'm very fast and I've got many sharp teeth. I can see in the dark. I haven't got a swim bladder so I must perpetually swim not to sink.

## FOOD

I'M CARNIVOROUS and an efficient predator, I eat fish, mollusks and crustaceans. My larger species also eat marine mammals such as dolphins, seals and sea lions. I can attack humans...

## HABITAT

I live in many parts of Europe. I'm cold blooded so I like warm climate and the sun

My ancestors appeared on Earth over 200 million years ago.

## ANIMAL GROUP

I am a reptile

I lay eggs

(but there is one of my cousin that is viviparous)

## BODY AND COVERING

I can walk and run, but not very fast. I've got 4 short legs. I've got a long body and tail. I am green, brown or of many colors.

## ABILITIES,

I can detach my tail and regrow it. I can walk on waters and I can jump

USE MAGIC INK

## FOOD

Insects like flies, worms, crickets, larvae and grasshoppers.

I'M AN AUSTRALIAN  
WOMBAT

NOW CHOOSE AN ANIMAL  
AND DESCRIBE IT, USING  
THE SCHEME YOU SAW.  
CAN YOUR SCHOOLMATES  
GUESS WHAT IS IT?
